

Mains Answer Writing Practice

1. Discuss the objective of “one nation, one market” that was introduced through eNAM, highlighting its merits and demerits.
2. Examine the significance of a national registry of informal labourers and migrant workers. What are the hurdles that the government will need to cross for effective implementation of such tool?
3. With judiciary pulling all stops to tackle crime in politics, the onus is now on the mainline political parties and the poll regulator to act. Discuss.
4. Indian government should regulate cryptocurrencies rather than ban their trade. Do you agree with this statement? Give reason in support of your answer.
